

## Single section and multiple section coils wound on casings

the diameter of the winding wire (mm)	
min	max
0,224	1,8

Technical data:	
Winding wires	- enamelled copper winding wires CuL i CuLL - silvered copper winding wires CuAg
Casings	- single section - multiple section
Pin	- isolated pin - non isolation - tin
Tinning materials	- Pb free - Pb (Customer on request )
Application	- consumer electronics - telecommunication - automotive
